

# Smart Alarm

Stop your alarm using alternative solutions

Every morning people rely on devices to wakeup, why shouldn't you use all the phone resources to achieve that?

In our times, the alarm systems gives us a limited options for stopping the alarm.

The Smart Alarm system can change that, you can stop the alarm also when you cannot reach the phone or your hands are dirty.

To achieve this you can stop the alarm by:

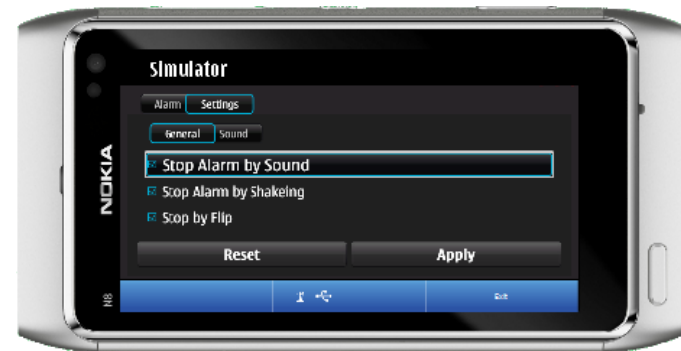

**Sound**

**Shake**

**Flip**

You have full control of the method you want to use.

The application was created by:

- Mihai Iusan
- Camilo Cifuentes
- Bhupesh Mudari

You can find the application at:
